Interior Lighting Deluxe Interior Lights x2 Inside Audiovisual System MP3 Player With Radio, 2 Speakers Parking Sensor Available Type of Charging Port Battery Type Lithium Ion Phosphate	Brake Light	Equipped (High Position)
Inside Audiovisual System MP3 Player With Radio, 2 Speakers Parking Sensor Available Type of Charging Port GBT Battery Type Lithium Ion Phosphate	Combination Meter	LCD Digital Display
Parking Sensor Available Type of Charging Port GBT Battery Type Lithium Ion Phosphate	Interior Lighting	Deluxe Interior Lights x2
Type of Charging Port GBT Battery Type Lithium Ion Phosphate	Inside Audiovisual System	MP3 Player With Radio, 2 Speakers
Battery Type Lithium Ion Phosphate	Parking Sensor	Available
	Type of Charging Port	GBT
Charging Time AC 8 Hrs, DC 20% to 80% 45 Mins	Battery Type	Lithium Ion Phosphate
	Charging Time	AC 8 Hrs, DC 20% to 80% 45 Mins

Model L X W X H	XML6559
Name and an arrangement	5452 x 1700 x 2185 mm
New energy system	Pure electric drive system
Max speed	100 km/h
Max. grade ability	20%
Driving mileage	300 KM (NEDC)
steering system	PEPS (Pinion EPS)
ABS	ABS + EBD
Front axle	Chinese brand
Rear axle	Direct drive integrated rear axle
Suspension	Front independent suspension, rear 5-leaf spring
Tires	195/70R15LT, with spare tire
Vehicle tools	Yes
Inner roof	Standard with A/C air duct
Front door window	Power front window
Passenger seats	15 seats
Exterior mirror	Electric exterior mirror
Side windows	Normal sliding windows
Dashboard	Luxury new silver dashboard
Rear view mirror	Electrical rear view mirror
Fire extinguisher	Equipped
Safety hammer	Equipped
Accessory battery	60AH maintenance free battery
High position brake light	Equipped
Combination meter	LCD digital display combination meter
Interior lighting	Deluxe interior lights
Inside audiovisual system	MP3 player with radio
T-Box intelligent monitor	Eqipped
A/C	Front/rear electrical air condition
Defroster	Equipped
Type of charging port	Chinese type
Motor	Rated 50KW., Peak 80KW
Total battery capacity	CATL 65 KWH
